

Making a difference...together

Water Conservation Notice

Residents are encouraged to adopt the following Stage 3 Water Conservation practices:

- No lawn watering
- Limited watering of trees, shrubs and vegetables by container or hose with shut-off nozzle, or with micro-irrigation system
- No filling of swimming pools, hot tubs or garden ponds
- No washing of vehicles or boats
- No washing of outdoor surfaces such as driveways, sidewalks and decks

This is due to current drought conditions and your drinking water system's sensitive water source. Thank-you for doing your part to conserve the community's water supply during the summer and fall periods. Every drop counts!

For water conservation tips and for more information, please visit www.crd.bc.ca/education/water-conservation/at-home/watering-schedules or phone 1-250-656-2425.
